Christina-

I faxed you the discovery packet a few minutes ago - if any pages are missing or if you need anything else from me, please let me know. Thanks.

Hi Sonja,

If faxing it is easier that is totally fine with me!!! Thank you so much!! Also, thanks for letting me know about your schedule. I am hoping to resolve the case short of a trial date because it is so old. If not, I will inform you the second I know!

Thanks again!

Christina

Hi Christina-

No problem about getting you the discovery packet as well as a copy of my CV. Do you want me to regular mail it to you or would you prefer me to fax it to you (it is less than 20 pages total)? Either way, I will most likely be able to get it out by the end of today, or definitely by Friday (I am on call for 3 district court trials and 1 superior court trial today, and I will not be in the lab tomorrow as I will be in Pittsfield for court). Also, I don't know the odds of your case reaching trial or if there is a trial date set yet, but the sooner I know of what the date is, the more likely it is that I will be available (I already have 30 cases scheduled for October, but most are Springfield district and end up pleading or getting a continuance due to a lack of judges). Just thought I'd let you know since this is the first time any of us in the lab have heard from anybody at Ayer District Court.

Hi Ms. Farak,

I am prosecuting a [REDACTED] for Poss. Of B. The case is from 2006 and the defendant has just removed her default. I was hoping you could send me the lab file for lab no. [REDACTED] and your CV to the address below? Thanks for your time.
